Replies to pre bid queries raised related to “*Contract Management Software, Implementation and Management Services*”

	Query	Response
1.	Is it allowed for OEM and implementation partner to bid together?	Yes but the bid should clearly mention the same. If selected as winner, the contract will have to be signed with all parties submitting the bid.
2.	Can we get a waiver for the clients where implementation has been done? We have done total 4 implementations, however only one of them is for a financial institute?	Please note the change in the RFQ
3.	Is it possible to get a waiver for ISO 27001 certification?	ISO 27001 certification is not compulsory.

Basis the replies the following changes to the RFQ.

1. Client base – Minimum 3 clients.
2. Document Proof Required – Self Declared on bidder’s letterhead along with credentials of company and Purchase Order / Engagement letter /references. 3-5 clients = 5 marks;
Above 5 clients = 10 marks
